

# Making Bread

## *A Spiritual Experience*

All throughout Scripture bread serves as a sign of God's blessing.

Baking Bread can be a spiritual experience, drawing us into a closer relationship with God.

You are invited to a new, joyous occasion where Breadmaking and Scripture help sharpen our faith, and fill us with God's special message.

No matter where we are in our baking or prayer journey, God will meet us in Our Lady of Assumption's kitchen.
